Terror for Hire!

WALL STREET, May 5: Mercenary assassins have become big business nowadays, and today a new one-man operation entered the market, **Terror, Inc.**

The company has found an unusual gimmick to help it stand out from the competition. The head of the firm, **Terror** himself, can absorb the memories and abilities of other people by using their body parts. If he uses a man's arm, for example, he gains his strength. If he takes his eye, he sees what that person saw.

The methods by which Terror acquires body parts are said to be rather grisly. But the company shows tremendous growth potential.

The company is publicizing its services through a new comics series, aptly titled *Terror, Inc.*, by writer **D. G. Chichester** and artist **Jorge Zaffino.**
